The Budapest Campus of McDaniel College

The Budapest Campus of McDaniel College was established in 1994, offering students a standard American four-year undergraduate program in Hungary, leading to a **Bachelor of Arts degree**. Carrying forward the College's 150-year tradition of academic excellence, McDaniel College Budapest cultivates an **international student-centered community** that supports intellectual growth, personal development, and a truly global education.

What is Liberal Arts?

Rooted in Ancient Greek and Roman foundations, the Liberal Arts tradition has become a **defining feature of American higher education**, shaping the academic experience at colleges and universities across the United States. McDaniel College offers students a comprehensive,explorative educational experience that fosters **critical thinking, creativity, and skills building** across multiple fields. It prepares students not only for professional achievement but also for a thoughtful, adaptable, and engaged life **beyond the classroom**.

The Student Advisory Council

The Student Advisory Council (SAC) plays a central role in campus life, organizing events, trips, and cultural programs that bring the McDaniel College Budapest community together and enhance the student experience both on and off campus.

HOUSING SERVICE

If you need help finding accommodation, McDaniel's Housing Service is here to assist you in securing a suitable apartment when you arrive.
